Sustainability

V-Burst Display is available with **rKNIT**™ fabric which is made from 100% recycled materials. **rKNIT** saves 40 plastic water bottles from landfills in each linear foot.

All V-Burst Display graphics and hardware are recyclable. Ask your representative about the *Preserving Earth*™ program.

Overview

The V-Burst Display is a revolutionary pop-up system with a seamless fabric graphic. The graphic and frame pop up together to create a fantastic visual backdrop.

The V-Burst Display comes with three unique features: superior "J" Hook connectors, scissor glides and improved durability with the innovative extrusion frame. Printed with 4K Print Technology, the best dye-sub process on the market, you get color beyond compare and industry-leading fit and finish.
