

20ft x 8ft Flow-Motion® SEG Animated Freestanding Display

\$11,355

Flow-Motion® is a portable array of pixel ladder lights which are hung inside a durable aluminum SEG frame and covered by a static fabric graphic. The pixel lights are controlled via an integrated controller. Once assembled everything is plug and play, allowing for an easy change of LED animations. The SEG graphics are also easily swapped out, making the change in branding or product promotions economical.
