

# Plaza Retractor

## Product Parts

1. Shock Corded Pole
2. Top Rail
3. Base
4. Ballast (x3)
5. Soft Case

## Display Set-up

### Step 1

Rotate the foot attached to the Base (3) perpendicular to the Base and set the Base upright. Tighten the screw on base to secure.

### Step 2

Assemble the shock corded pole (1). Insert the bottom of the pole onto the peg located on the foot of the base.

### Step 3

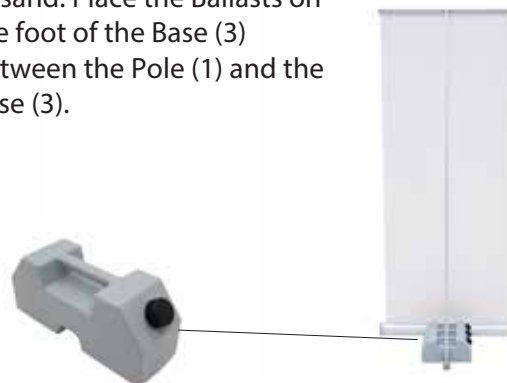

Stand facing the back of the Base (3) and gently lift the Top Rail (2) up. Gently bend the Shock Corded Pole (1).

Fold the Top Rail (2) back to attach the Pole to the peg on Top Rail (2).

### Step 4

Fill the Ballasts (4) with water or sand. Place the Ballasts on the foot of the Base (3) between the Pole (1) and the Base (3).

## Storage & Care

Place all product parts into Carry Case and store in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
